Collection of organic black, green, white and herbal teas.

Introducing the CX-2 from Newco, your personal barista for specialty coffee drinks in the workplace.

Enjoy delicious coffee, Latte's, Cappuccinos and more from individual single serve PODS blended with soluble milk and chocolate.

CX-2's unique single step process delivers coffee house quality drinks in under 1 minute each. Simply select your drink, insert a POD of coffee or tea and brew. There's never a reason to leave the workplace for great tasting coffee again.

Did you know: Making specialty drinks such as lattes on other capsule based systems require 80+ individual capsules to equal the same number of drinks from one 2 lb. bag of soluble milk used in the CX-2. 60+ individual capsules of chocolate are required to equal the same number of drinks from one 2 lb. bag of chocolate used in the CX-2. Doing your part to be responsible is easy with the CX-2... and it tastes great too.
